

**SUBJECT: AMENDMENTS TO THE PLAN RULES OF THE PNB INSTITUTIONAL FUND AND THE PNB ENHANCED PHIL-INDEX REFERENCE FUND**
**May 18, 2019**
**Dear Valued Investors,**

We wish to inform you that we have updated the product features of the PNB Institutional Fund in order to enhance the fund's competitive position and to make it more attractive to target participants. We have likewise amended the investment strategy and reduced the management fee of the PNB Enhanced Phil-Index Reference Fund (EPRF) in order to improve its performance and to maximize its potential returns. These revisions, which are summarized below, have been formally approved by the Bangko Sentral ng Pilipinas (BSP) last March 19, 2018.

**A. PNB Institutional Money Market Fund**

<b>Particulars</b>	<b>From</b>	<b>To</b>
Min. Initial Participation	Php500M	Php10M
Min. Additional Participation	Php10M	Php1M
Min. Maintaining Balance	Php500M	Php10M
Min. Holding Period	30 Calendar Days	3 Banking Days

**B. PNB EPRF**

<b>Particulars</b>	<b>From</b>	<b>To</b>
Management Fee	2%	1%
Investment Strategy	<b>Partial Replication</b> - Objective is to invest in selected representative stocks that are highly correlated to the PSEI.	<b>Full Replication</b> - Objective is to invest in all of the securities that make up the PSEI, using the index weighting in order to track/mimic its performance

The shift in the investment strategy of the EPRF from partial to full index replication is not only aimed at improving the fund's performance. It will also allow our clients to have full exposure to the entire Philippine Stock Exchange Index (PSEI) basket. Annex A shows the existing equity holdings of the EPRF versus its revised holdings once it shifts to full replication.

Please take note that these enhancements will take effect on **July 2, 2018**, to give you ample time to appreciate and adjust to these changes and their impact on your investments.

Should you feel that these enhancements do not suit your investment needs, you have the option not to continue your UITF investments with us. Alternatively, you may request your Branch of Account to switch your participation to any PNB UITF which you think would meet your current investment objectives.

For any queries or clarifications, please feel free to get in touch with your PNB Branch of Account or contact PNB Trust Banking at telephone nos. (02) 573-4335; 573-4574 or 573-4527.

Thank you for your continued patronage and confidence in us. We assure you that we always have your best interest in mind as we continue to deliver financial solutions that best suit your investment needs.

Sincerely,

(Original Signed)
