Discontinuation of support for select Android OS versions on PNB Digital

Version 1.0 - August 23, 2023

Frequently Asked Questions

<p>1. What is a mobile operating system (OS)?</p>	<p>An OS is a software on your mobile device (phone and tablet) that allows it to run all your applications and programs.</p> <p>PNB Digital runs on Android and iOS mobile devices.</p>
<p>2. Why is it important to update my mobile device to the latest available OS?</p>	<p>Updating your OS is one of the most important things you can do to keep your mobile device safe and running smoothly. Newer OS versions usually contain significant improvements along with important security and privacy enhancements to optimize your digital banking experience.</p> <p>Always update to the latest mobile operating system version available to keep PNB Digital running smoothly and securely.</p>
<p>3. What is the minimum required OS version for PNB Digital?</p>	<p>For Android devices, PNB Digital will only work on OS versions 8.0 (Oreo) or higher starting October 25, 2023.</p> <p>For iOS devices, the app will continue to run on OS versions iOS 13 or higher.</p>
<p>4. How can I check the OS version of my mobile device?</p>	<p>To check your mobile device OS version, please follow the steps below:</p> <p>For Android</p> <ul style="list-style-type: none"> Go to Settings > About phone > Android version <p>For iPhone (iOS)</p> <ul style="list-style-type: none"> Go to Settings > General > About
<p>5. How can I update my OS version?</p>	<p>In most cases, your mobile device will prompt you if there is a new OS version available.</p> <p>You can also try to check if there is a new OS version available by following the steps below:</p> <p>For Android</p> <ul style="list-style-type: none"> Go to Settings > System/Software Update <p>For iPhone (iOS)</p> <ul style="list-style-type: none"> Go to Settings > General > Software Update

<p>6. I currently have an Android OS version that is lower than the minimum requirement. Will I still be able to use PNB Digital?</p>	<p>You will be unable to update and access the next version release of PNB Digital if your mobile phone's OS version is lower than the minimum required.</p> <p>To continue using PNB Digital, we suggest that you switch to a higher mobile device model that runs on the minimum required OS version.</p>
<p>7. Why will PNB Digital no longer work on old OS versions?</p>	<p>Mobile devices with older OS versions could no longer be supported by the app due to compatibility and performance issues such as app crashes and errors.</p> <p>To keep PNB Digital running smoothly and securely, we encourage you to switch to a mobile device model with an OS version of at least 8.0 for Android and 13 for iOS.</p>
<p>8. What will happen to my PNB Digital user access if I do not switch to a higher mobile device model before October 25?</p>	<p>Your login credentials will remain active and can still be used when you eventually access PNB Digital with a higher mobile device model.</p>
<p>9. What will happen to my scheduled fund transfer and/or bills payment transactions on PNB Digital if I do not update my mobile device before October 25?</p>	<p>Your transactions will push through as scheduled unless you do any of the following:</p> <ul style="list-style-type: none"> a) Manually delete all your scheduled transaction in the app before October 25, 2023 by going to More>Manage Transactions b) Request to delete your user access through your branch of account.
<p>10. I already have a new mobile device. How do I transfer my PNB Digital access from my old device?</p>	<p>For a complete guide on registering PNB Digital to a new mobile device, please visit pnb.com.ph/changedevice</p> <p>You will be required to enter your username and password information during device registration.</p> <p>If you forgot your username, you may view it by tapping 'More' in your old device. Your username is shown on the topmost part of the screen. In case you no longer have your old device, you may contact your branch of account for assistance.</p> <p>If you forgot your password, tap the 'Reset Password' link on the login screen.</p> <p>For your protection, never share your account and login details and other personal information with anyone. Never share your One-Time PIN (OTP) and Online Activation Codes.</p>

<p>11. I won't be able to switch to a new device immediately. How can I perform my banking transactions?</p>	<p>You may perform your transactions using these alternative banking channels:</p> <table border="1" data-bbox="521 226 1377 1325"> <thead> <tr> <th data-bbox="521 226 998 264">Transactions</th> <th data-bbox="998 226 1377 264">Channel</th> </tr> </thead> <tbody> <tr> <td data-bbox="521 264 998 369">Account/Transaction History</td> <td data-bbox="998 264 1377 611" rowspan="3">PNB ATMs Nationwide</td> </tr> <tr> <td data-bbox="521 369 998 506">Fund Transfer (To select BancNet member banks)</td> </tr> <tr> <td data-bbox="521 506 998 611">Bills Payment (BancNet billers)</td> </tr> <tr> <td data-bbox="521 611 998 716">Bills Payment (Select OTC billers)</td> <td data-bbox="998 611 1377 1024" rowspan="4">Any PNB Domestic Branch</td> </tr> <tr> <td data-bbox="521 716 998 821">Cash Withdrawal (OTC)</td> </tr> <tr> <td data-bbox="521 821 998 926">PESONet (OTC)</td> </tr> <tr> <td data-bbox="521 926 998 1031">Checkbook Order</td> </tr> <tr> <td data-bbox="521 1031 998 1199">Credit Card services</td> <td data-bbox="998 1031 1377 1199">Call PNB Cards Customer Care (+632) 8818 9818</td> </tr> <tr> <td data-bbox="521 1199 998 1325">UITF Online inquiries</td> <td data-bbox="998 1199 1377 1325">Email PNB Trust Customer Care trust_customercare@pnb.com.ph</td> </tr> </tbody> </table>	Transactions	Channel	Account/Transaction History	PNB ATMs Nationwide	Fund Transfer (To select BancNet member banks)	Bills Payment (BancNet billers)	Bills Payment (Select OTC billers)	Any PNB Domestic Branch	Cash Withdrawal (OTC)	PESONet (OTC)	Checkbook Order	Credit Card services	Call PNB Cards Customer Care (+632) 8818 9818	UITF Online inquiries	Email PNB Trust Customer Care trust_customercare@pnb.com.ph
