

Closure of Inactive UITF Accounts

Please be informed that **effective October 31, 2019**, all Unit Investment Trust Fund (UITF) accounts with no outstanding balance and with no financial activity for three (3) years shall be closed.

If you wish to keep your UITF account(s) active, you just need to make a new or additional placement in any PNB UITF through your servicing PNB branch or through the PNB UITF Online Facility on or before the above mentioned date.

For those whose accounts will be closed, you may still invest in the PNB UITFs in the future. Simply visit any PNB branch and open a new UITF account or re-enroll through the PNB UITF Online Facility.

For any query or clarification, please feel free to get in touch with your PNB Branch of Account or contact any of our PNB Trust Marketing Officers through any of the following telephone numbers:
