

Advisory**Crediting Schedules
of your SSS pension**

To our Valued SSS Pensioners:

We understand how difficult it is for you during this time, our PNB pension account holders and account holders of the former PNB Savings Bank and Allied Bank. Even with significant efforts, we sincerely apologize that we are not able to credit your APRIL pension sooner due to our very limited and skeletal workforce. We would like to inform you that we will credit **APRIL** pension based on the following schedules:

- **PNB pensioners** - on your contingency date or anniversary date
- Pensioners of the former **PNB Savings Bank** - on your accounts by **March 31, 2020**
- Pensioners of the former **Allied Bank** - by **April 1, 2020**

Kindly note that this schedule is based on the original and existing arrangement with SSS.

For **MAY**, **PNB and former Allied Bank pensioners** will receive their pension by **May 1**, while pensioners of the former **PNB Savings Bank** will receive theirs by **April 30**.

Thank you and stay safe!
