Advisory

We aim to serve you, we are extending payments and waiving fees

During this difficult time, Philippine National Bank (PNB) would like to announce that there will be a **30-day extension for the payment of all PNB credit cards (without late fees) with due dates from March 18, 2020 to April 15, 2020**. This will apply to all qualified credit card customers of the bank. Kindly note that applicable finance charges will still be effected.

We also encourage customers to stay safe by staying at home. You can use our digital solutions: PNB Internet Banking System, PNB Mobile Banking App, as well as our corporate banking portal, PNB C@shNet. **For online fund transfer, we are waiving the transaction fees for InstaPay and PesoNet transactions until April 15, 2020.**

We are one with our kababayans in weathering this challenge. Rest assured that PNB, our branches, and digital channels are here to serve #YouFirst.

Thank you.
