

# Pop-Up Blocker Settings and Enabling Auto-Updates

## C. INTERNET EXPLORER BROWSER

Note: Please download the latest IE version (for PCs currently with IE version 10 and below)

1. Auto-Update Setting
  - a. Clicking on Help> About Internet explorer or Click ALT+HA
  - b. Check Box Install new versions automatically

3. Turning-Off PopUp Blocker
  - a. Under Tools, select Pop-Up Blocker > Turn off Pop-up Blocker
